To

The Board of Directors of

Coffee Day Enterprises Limited (*erstwhile Coffee Day Enterprises Private Limited*)

We have audited the accompanying Consolidated Statement of Financial Results ('the Statement') of Coffee Day Enterprises Limited (*erstwhile Coffee Day Enterprises Private Limited*) ('the Company') its subsidiaries, joint ventures and associates as detailed in note 1 of the Statement, (collectively referred to as 'Coffee Day Group') for the year ended 31 March 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement has been prepared on the basis of the annual financial statements, which is the responsibility of the Company's Management and approved by the Board of Directors of the Company in their meeting held on 20 May 2016. Our responsibility is to express an opinion on this Statement, based on our audit of such annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the Management. We believe that our audit provides a reasonable basis for our opinion.

We draw attention to the fact that the figures for the quarters ended 31 March 2016 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to the end of the third quarter of the relevant financial year. Also, the figures up to the end of third quarter ended 31 December 2015 had been subject to review.

We did not audit the financial statements of certain subsidiaries and joint ventures included in the Statement, whose consolidated financial statements reflect total assets of Rs. 41,233.77 million as at 31 March 2016 and total revenue of Rs. 14,369.56 million for the year ended on that date, as considered in the Statement. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

The consolidated financial statements also include the Group's share of net profit of Rs. 987.42 million for the year ended 31 March 2016, as considered in the consolidated financial statements, in respect of three associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates.

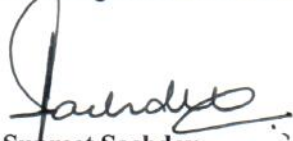

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) have been presented in accordance with the requirements of Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (ii) give a true and fair view of the loss and other financial information for the year ended 31 March 2016.

Auditor's report on Quarterly Financial Results and the Year to Date Results of Coffee Day Global Limited (erstwhile Amalgamated Bean Coffee Trading Company Limited) pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

To

The Board of Directors of

Coffee Day Global Limited (erstwhile Amalgamated Bean Coffee Trading Company Limited)

We have audited the accompanying Consolidated Statement of Financial Results ('the Statement') of Coffee Day Global Limited (erstwhile Amalgamated Bean Coffee Trading Company Limited) ('the Company'), its subsidiaries and joint ventures as detailed in note 3 of the Statement (collectively referred to as 'CDGL Group'), for the year ended 31 March 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement has been prepared on the basis of the annual financial statements, which is the responsibility of the Company's Management and approved by the Board of Directors of the Company in their meeting held on 20 May 2016. As detailed in note 2 to the Statement, the Management has voluntarily adopted the preparation of this Statement for its submission to Bangalore Stock Exchange and National Stock Exchange, India. Our responsibility is to express an opinion on this Statement, based on our audit of such annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the Management. We believe that our audit provides a reasonable basis for our opinion.

We draw attention to the fact that the figures for the quarters ended 31 March 2016 and 31 March 2015 as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to the end of the third quarter of the relevant financial year. Also, the figures up to the end of third quarter ended 31 December 2015 had been subject to review.

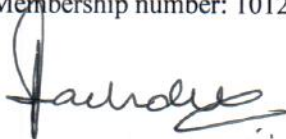

We did not audit the financial statements of five subsidiaries which have been incorporated in the Statement. Of the above;

- a) We did not audit the financial statements of three subsidiaries incorporated outside India, whose financial statements reflect total assets of Rs. 129.32 million as at 31 March 2016 and total revenues of Rs. 178.16 million for the year ended on that date, as considered in the Statement. The financial statements of these subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') have been audited by other auditors duly qualified to act as auditors in those countries. For the purposes of preparation of consolidated financial statements, the aforesaid local GAAP financial statements have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India.
- b) We did not audit the financial statements of two subsidiaries incorporated in India, whose financial statements reflect total assets of Rs. 54.47 million as at 31 March 2016 and total revenues of Rs. 12.66 million for the year ended on that date, as considered in the Statement. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) has been presented in accordance with the requirements of Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (ii) give a true and fair view of the profit and other financial information for the year ended 31 March 2016.
